

# THE SHERWOOD EDGE

Combining **state-of-the art technology** with **superior design** and a strong **commitment to quality**, Sherwood Bedding is able to offer an **exceptional value** for your bedding needs.

For the commercial customer, we offer innerspring, pocketed coil or all foam, and a choice of 2-sided or low maintenance no-flip beds. Sherwood's cover styling is fresh without sacrificing durability. The heavy gauge tempered steel innerspring coil units are foam encased for superior support of the sleep surface as well as along the edge of the bed. High quality materials and workmanship at Sherwood allow us to provide **10 year replacement warranties** on our hospitality beds.

We look forward to bidding your projects. We know that both you and your customers will be extremely satisfied with our sleep systems.
